Hot on the heels of the Catalina 23, Chris-Craft introduces the second member of its center console fish boat line, the Catalina 29. This new Catalina features all of the amenities you're looking for in a fishing boat, but with all of the classic style and appeal you expect from a Chris-Craft. This boat's 29 feet of space allows much needed maneuverability for those extended fishing trips. This center console's wood-free construction also features an integrated fiberglass structural liner for years of maintenance-free enjoyment.
